

Professor **Hanhimäki** studied at Tampere University (Finland), where he received his BA in 1987. Between 1988 and 1993 he completed his MA and Ph.D. degrees in international history at Boston University, while teaching at the Massachusetts Institute of Technology and Bishop's University (Canada). He then held fellowships at the Charles Warren Center for Studies in American History at Harvard University (1993-94) and the Contemporary History Institute at Ohio University (1994-95). Between 1995 and 2000, Hanhimäki was a member of the International History Department at the London School of Economics. He joined the Institute's faculty as Professor of International History and Politics in 2000. In 2006 he was named "Finland Distinguished Professor" by the Academy of Finland.

A specialist in the Cold War and American foreign policy he has published books and articles on a number of topics, ranging from the origins of the Soviet-American confrontation to the reassessment of European security concerns in the aftermath of the collapse of the Soviet Union. His recent books include *The Flawed Architect: Henry Kissinger and American Foreign Policy*, (2004); *Understanding the Cold War: A History with Documents and Eye-Witness Accounts* (2003, 2004); and *An International History of the Twentieth Century* (2008).

In addition to American foreign policy, Professor Hanhimäki's current work focuses on the role of international organizations. In 2008 he will publish *United Nations: A Very Short Introduction*. He is also currently co-ordinating a project "UNHCR and the Global Cold War".

Professor Hanhimäki has been a recipient of numerous fellowships and awards from various institutes and foundation bodies in Europe and North America. Among these are: the British Academy, the Finnish Academy, the Norwegian Nobel Institute, the Social Sciences and Humanities Research Council of Canada, and the United States Institute of Peace. He has lectured at universities throughout North America and Europe, and is one of the founding editors of the journal *Cold War History*.
